

Resident Only Parking

The City of Winooski has adopted the following resident only parking ordinance to help control parking in the residential area by students attending the Community College of Vermont. This program is designed to limit the ability of non-residents from using all of the available on street parking and encourage the use of the City's parking garage for long term parking.

Residents may obtain parking permits, free of charge, at the Winooski City Clerk's Office during normal business hours.

Residents of the following streets will need to display a resident parking permit on any vehicle parked on the roadway between the hours of 7:00 am and 9:00 pm Monday through Friday effective September 1, 2010:

East Allen Street from Abenaki Street east to Hood Street (south side)

Barlow Street from East Allen Street north to East Spring Street

East Spring Street from Barlow Street east to Hoods Crossing

Mansion Street between Main Street and Barlow Street

Platt Street between Main Street and Barlow Street
